CHIROPRACTIC AND FUNCTIONAL MEDICINE

**Lynnisha Fuller**

After 11 years of being a waitress at many different restaurants, I've finally found my calling. It has been a blessing working with everyone here at the Brauchla clinic. I've learned so much that I can apply to mine and my children's life. The Brauchla Clinic welcomed me with open arms and we do the same with our patients. We're all family here, and want the best for everyone who comes through our doors. We are here to help you become a better you, and maintain a healthy lifestyle.
