CHIROPRACTIC AND FUNCTIONAL MEDICINE

Summer Short

I have worked in the health care field as a certified nursing assistant for 18 years and a qualified medication aide for 7 years. It has always been my passion to help others. I had very little knowledge of chiropractic care before I started working here but I have since learned so much, in fact, I am still learning every day. I am so grateful for the opportunity to work here with such an amazing team of people and a wonderful atmosphere.
